'FIRST FRIDAY' FOOD & WINE EVENINGS

Chapters is delighted to have teamed up with www.thewineacademy.co.uk to offer the chance to learn about wine in a relaxed and informal way, in the fantastic setting of Chapters Hotel.

These evenings are aimed at people who enjoy wine and would like to learn more. The evenings consist of a tutored tasting of at least 7 wines conducted by Karen Hardwick, Director of The Wine Academy®.

The evenings are relaxed and informal, we want to share our passion for wine and not bamboozle you with Jargon.

Friday 6th May Burgundy & Alsace

Wines from Burgundy are often described as being elegant, sophisticated and even sensual. Be seduced by Burgundy on our wine and food event when we will taste our way around the region.

Friday 10th & 24th June Champagne

At Chapters we pride ourselves in having an outstanding selection of Champagne and sparkling wine both by the glass and by the bottle. We will be opening some very special Champagnes on this evening, we do hope you can join us.

Friday 1st July Chile & Argentina

South American wines have grown in quality and reputation over the last decade. Chilean Sauvignon Blanc and Cabernet Sauvignon knocks spots off many more established countries while still punching above their weight on value for money.
